**Program Application**

Applicant Income Based on 150% of Current Federal Poverty Guidelines

Creative Communities, Inc. is a non-profit organization. One of our projects is SEMO Low Cost Spay/Neuter program for dog and cat companion animals of low income individuals and families in selected Missouri counties. To apply for this assistance you must fill out and submit this application. Your application will then be reviewed by our board to determine if you fit the criteria to receive assistance in getting your pet spayed or neutered. This program is not free - you must contribute \$20.00 to get your dog spayed/neutered and if you have a cat you must contribute \$10.00 to get your cat spayed/neutered. Then SEMO Low Cost Spay/Neuter program will pay the rest of the veterinarian's fee. If you feel you would like to participate with your pet in this program please fill out the questions below and mail back.
